### **Pasadena, CA**

201 South Lake Avenue  
Suite 308  
Pasadena, CA 91101  
626.657.7982

### **PRACTICE AREAS**

Data & HR Analytics  
Discrimination  
Labor & Employment  
No Poaching  
Wage & Hours

### **EDUCATION**

Mr. Manzo received his BA in applied mathematics from the University of California, Los Angeles.

Jose Manzo specializes in economic analysis in the context of labor and employment issues. He is skilled at constructing and analyzing large, complex datasets. Mr. Manzo has extensive experience analyzing economics issues related to wage and hour matters, including meal and rest break violations, rounding, and regular rate calculations. In class action matters, Mr. Manzo frequently analyzes data from multiple sources to address class certification issues and develop damage estimate models to quantify claims.

### **PREVIOUS EXPERIENCE**

- Associate Economist, Welch Consulting
